**Washington Wildlife and Recreation Program – Trails  
Letter of Understanding re: Application Resolution/Authorization**

Department:   DNRP   Division:   Parks  

Project Name:   Lake to Sound Trail Development, Segment A (#1739D)  

This form authorizes submitting application(s) for grant funding assistance for Washington Wildlife and Recreation Program (WWRP) project(s) to the Recreation and Conservation Funding Board as provided in Chapter 79A.15 and 79A.25 RCW, WAC 286, and other applicable authorities.

WHEREAS, our organization has approved a comprehensive parks and recreation or habitat conservation plan that includes this project; [not required for farmland preservation projects] and

WHEREAS, under provisions of the WWRP program, state grant assistance is requested to aid in financing the cost of facility development; and

WHEREAS, our organization considers it in the best public interest to complete the project described in the application(s).

NOW, THEREFORE, BE IS RESOLVED that:

1. The King County Department of Natural Resources and Parks, Parks and Recreation Division is authorized to make formal application to the Recreation and Conservation Funding Board for grant assistance.
2. Our organization has reviewed the sample project agreement on the Recreation and Conservation Office's web site at: <http://www.rco.wa.gov/documents/manuals&forms/SampleProjAgreement.pdf> and authorizes Kevin Brown, Division Director, to enter into such a project agreement, if funding is awarded. We understand and acknowledge that the project agreement will contain the indemnification (applicable to any sponsor) and waiver of sovereign immunity (applicable to Tribes) and other terms and conditions that are contained in the sample project agreement. The sample project agreement may be revised periodically by the Recreation and Conservation Office. Our organization recognizes that such changes might occur prior to our authorized representative signing the actual project agreement, and we accept the responsibility and the presumption that our authorized representative shall have conferred with us as to any such changes before he/she executes the project agreement on behalf of our organization and so executes with our authorization.
3. Any grant assistance received will be used for only direct eligible and allowable costs that are reasonable and necessary to implement the project(s) referenced above.
4. Our organization expects our matching share of project funding will be derived from Lake to Sound Trail Development, Segment A (#1739D) and that pursuant to WAC 286-13-040 we must certify the availability of match at least one month before funding approval. In addition, our organization understands it is responsible for supporting all non-cash commitments to this project should they not materialize.
5. We acknowledge that if the Recreation and Conservation Funding Board approves grant assistance for the project(s), the Recreation and Conservation Office will pay us on only a reimbursement basis. We understand reimbursement basis means that we will only request payment from the Recreation and Conservation Office after we incur eligible and allowable costs and pay them. The Recreation and Conservation Office may also determine an amount of retainage and hold that amount until the project is complete.
6. We acknowledge that any property owned by our organization that is developed, renovated or restored with grant assistance must be dedicated for the purpose of the grant in perpetuity after the project is complete unless otherwise provided and agreed to by our organization and the Recreation and Conservation Funding Board in the project agreement or an amendment thereto.
7. This application authorization becomes part of a formal application to the Recreation and Conservation Funding Board for grant assistance.
8. We provided appropriate opportunity for public comment on this application.
